March 27, 2020

The Historical Society has been closed since March 18 and will remain so until further notice. In the meantime our volunteers are working at home. Yvonne Styer is focusing on deed and ancestry research.

The Spring newsletter has been mailed out.

Bill Shirk has been working on an overlay of the Patent map.

Mary Shirk is supervising our yearly audit.

We are receiving bids for the add-on building for archival and restroom facilities. We thank the Supervisors for your help with this.
